Servanthood

Dear Parents,

Yes, we are at school and getting back into our routines. What a blessing to be here! I hope each of you had a wonderful Christmas. As we focus on the new year I pray that each of our families will have a breakthrough year in every way. I have a word of encouragement for each of you: "Press on" in 2011 and see your dreams come to fruition. Press on, LABS family.

A special thank you goes to Mrs. Street for heading up the scrip program, and to her assistants: Mrs. Greene, Mrs. Morales, Mrs. DeCarlo, Mrs. Greene, Mrs. Fritch, Mrs. Butler, Mrs. Neilsen, and Mrs. Davis. They worked very long hours to fill many scrip orders before Christmas. Thank you for your dedication!

News from our Parent Support Group...

- Thank you for your great support of our scrip program during the holidays.
- Our next meeting is Monday, January 10.
- Thank you, also, for supporting the Red Buckets. We filled 16 for the Long Beach Rescue Mission.

After vacation some children need extra encouragement to get back into the school routine. You can help that process by staying "on top" of what is going on in your child's class.

Classroom Notes for Grades 1-6:

1. Keep asking for weekly assignment sheets on Mondays.
2. Continue checking work envelopes each Friday.
3. Check to see if any desk supplies (pencils, erasers, etc.) need replenishing.
4. Label all coats, sweaters, sweatshirts, and hats with your child's name. This makes returning lost items much easier.
