Dear Parents,

Thank you for your inquiry regarding Los Altos Brethren Preschool. With the importance that is being attached to the early childhood years today, you will want to know as much as possible about our purpose and curriculum before enrolling your child.

As a part of the ministry of the Los Altos Grace Brethren Church (LosAltosGrace.org), we teach God's love as revealed through Jesus Christ. For the children this means not only teaching them that God loves them, but that they, in turn, are expected to love others. We talk of God's world, and offer a blessing before eating. Once per week a chapel service is held in the church auditorium.

The program of the Los Altos Brethren Preschool was established to provide an educational experience in a warm and loving atmosphere for children three and four years of age. Recognizing the importance of a balanced growth, our staff will provide opportunity for the social, mental, physical, emotional and spiritual development of the child. This preschool program was also established as a service to the families and children of the community. This service has grown from a sincere love for the children and a desire to help in the proper development and adjustment in our modern world.

If you are interested in enrolling your child, please fill out the application (<http://LongBeachChristianSchools.org/pdf/PreschoolApplication.pdf>) and either mail, email, fax or drop it off to us.

Thank you for considering our school.
