

Los Altos Brethren School

June Newsletter - 2012

Dear Parents,

A friend of mine once said, "The days go by slow, but the years go by FAST." For me, everything is going FAST right now. It has been a good year. I have seen so much growth in our students. It has been a joy to see the "light bulb" go on as students grasp concepts for the first time. Seeing the musical talent surface is so exciting. Our academics are strong. Seeing the spiritual development of our kids is, for me, the most important aspect of our school. Our children are learning how to put on the full armor of God in preparation for their future beyond LABS. I am confident they will make right choices and win the battle. Thank you all for investing in us and trusting us. Have a wonderful summer and we'll see you in September. God bless you who are leaving us for whatever reason. Please don't forget to come back and visit. You are always welcome.

Mr. Lenger

Keep Learning Going...

We encourage you to get your children involved in the summer reading program at your local library. Writing can be fun: have your child keep a vacation journal or write postcards to family and friends. To give you a tool to review math, 1st - 5th grade teachers will be sending home a summer math review booklet today, June 4th. Watch for it, carefully read the attached letter, and send the tear-off back.

Kindergarten will also be receiving a packet containing helpful review materials with their report cards.

CONGRATULATIONS!

Our 26th Sixth Grade Class will be graduating on Thursday, June 14th.

*Zachary Archuleta, Brett Garcia,
Trinity Johnson, Quintin Kawana,
Alona Kellick, Arianna Porcho,
Angel Raynor, Madison Silva,
and Riley Wille*

TUITION POLICY...

A reminder that August 1st is the due date for the first payment for the next school year. Next year, the only payment plan will be for 11 months and all payments begin August 1st. Grades K-6 daycare is billed monthly and is not due until October. Band and choir fees are not due until September. **PLEASE MAIL** your August tuition payment to the school or drop it off in the preschool office **CLEARLY MARKED** as an elementary school payment. You will receive a summer reminder mailing in July with dates for the new school year, shopping with the dress code in mind, and a supply list.

SUMMER CHANGES...

If, during the summer, your circumstances change and your child will not be returning in the fall, please let us know immediately. You can call the school office any time and leave a message. Each student really matters. We appreciate your cooperation in this regard. Preschool and elementary classes still have openings if you know of an interested family.

REPORT CARDS... Just a reminder that all tuition, band, choir, and daycare payments for June are due. Report cards can not be issued until accounts are cleared. Please make every effort to clear your account by 8:30 a.m. on June 14th.

Parent Support Group (PSG)

We'd like to thank you all for your faithful and generous support of PSG this year. We've been able to support and encourage our students through many fun events throughout the year including field trips, Meet the Masters, traveling science, and more. We could not have done any of this without countless volunteer hours and generous giving from you, the parents! As we wind down the year, we are already looking ahead to the Fall. Thank you again...you are a valuable team member in our children's education!
